Gallery Hours
9:00AM - 9:00PM daily
Free

Based in Leipzig, Edgar Leciejewski spent six months as an artist-in-residence with FIA in 2014. *Tones* brings together new work stemming from his time on the island, including large-scale collages, photographs of natural elements, and precarious sculptures composed of objects found on the shore. Taken together the works in the exhibition are a collection and an archive of time shown in modern images, raising questions on how we contemplate ideas of nature.
